

The Liberty Bell

News Letter of the Kansas Society Sons of the American Revolution

The President's Corner

by Bobbie Hulse

Are We Our Own Worst Enemy?

My predecessor, Dennis Nelson, started a great initiative when he began to try and get a change of leadership in the office of President every two years in the chapters. As I travel and communicate with not only presidents but men in leadership around our state, I have found that there are many ways we can improve what we do without extended effort and in fact maybe less headaches. Let us consider some of our grand achievements this past year as National leaders in Americanism for example. I find that not only do some chapters not have an Americanism Chairman but do not even submit reports. Last year only six chapters' submitted Americanism reports and we all know that every one of the chapters has done many things that could have been reported. This same concern is evident in reporting of the Stark items that have been done in the

chapters. The reasons for this may not be that we have no Americanism Chairman but the fact that we have changed leadership without mentoring our successors. In some cases the President has had the responsibility of reporting and that is fine but he should not be relied upon to do it all himself. Reporting your activities to our Americanism and Stark chairmen in a timely manner is important. If you wait until the last minute to compile your reports and submit them, it may be difficult to remember all of the events in which you have participated throughout the year. Our chairmen are: State Americanism Chairman, Justin Engleman,

j.engleman@sbcglobal.net, and State Stark Chairman Bryan Wampler, bwampler.sar@gmail.com.

Another issue we have is the reporting of medals and awards that are given out at the chapter level to the State Medals and Awards Chairman, Bryan Wampler. Our medals, in some cases, can only be

awarded one time to a person or oak leave clusters need to be awarded instead of a second medal. As we approach next year's conference, I wish to award appropriately but in some cases it may be difficult and I know from the past that in the chapters it can be an issue as well. Please turn in awards you've presented to Bryan, bwampler.sar@gmail.com and also

to Justin, j.engleman@sbcglobal.net for Americanism.

The next thing that has been very much noticed is that we need to consider our successor in a committee when we decide that is time for us to move on. Every job we have is a volunteer job and we should be looking for volunteers to replace us when we move to some other position. Mentoring our replacement is essential in transition and even growth. Many times it is easier to just do it ourselves but that does not transition well when we for any reason resign our position. Let's all look for and find a person to mentor into our spot, make it easy for them to follow-up and ready to lead as we move to a new position. It is not that hard to do as we can notice the guys who are doing the job at a chapter level whether it be: doing a newsletter, youth programs, Flag chairman, Facebook, all are relevant and transferable skills that can be used at the next level and they start at the chapter level with mentoring there.

All in all, we in Kansas are doing great but as they say, "we can be better." On the National level, we have surpassed all but less than a handful of states in percentage of growth, retention, Americanism, Stark, and youth program participation. We have now placed at National in the Poster competition and now we wonder what will be our next step on the ladder? One thing is

sure we need some orators. Eagle Scout is doing well, Knight Essay is getting bigger, Poster has gotten big with hundreds of posters, JROTC needs a chairman, "Liberty Bell" needs a new editor, and we are "Marching to 1000" members in Kansas. Let's take a look at the History Teacher award program. This one requires that people, other than the entrant, submit recommendation and that takes time. Therefore remind those who have said they want a piece of the action in this one to get started right away.

Thursday night at the Monticello meeting I was given an update from David Comer as to the dues remissions and they are looking fairly good. Please everyone get your dues in before December first so that the men involved in yearend work can be finished before Christmas time. Christmas, my friends, is a time for celebration and family time so let's get that done early rather than later. Brooks Lyles has informed me that he will be moving to South Carolina late this spring and we need replacements for his positions at the State level. Brooks has been the "Liberty Bell" editor for some time and set a really high bar. He is still available to help transition a new editor and anyone interested needs to give him notice that you would like the job. Brooks can be contacted at brooks.lyles@gmail.com. He is also the JROTC chairman, so if you

have interest in that please contact him right away.

One more idea that has emerged is to have name tags for spouses that attend our chapter meetings. It has been suggested that this may make them feel more at home and included as well as keeping from having to reintroduce each other numerous times as we remember faces but not always names. It may induce us to have better programs as well. Think about it and if it fits great.

Each and every chapter is showing positive growth and activity so we are on a good track let's keep the pace and do our best to get involved with other men in our chapters to make for a great finish to the year. As I continue to make rounds across the state I hope to meet many more of you at your chapter meetings so "until we meet again, let us remember our obligations to our forefathers who gave us our Constitution, the Bill of rights, an independent Supreme Court and a nation of free men."

Color Guard Activities

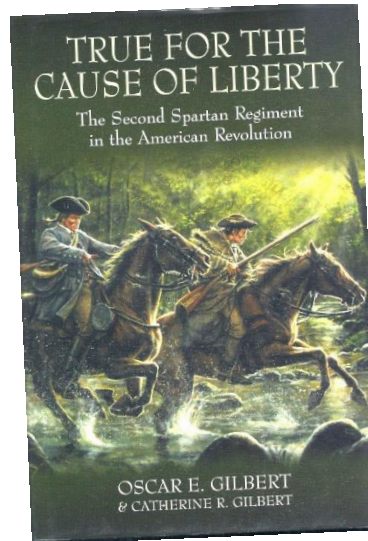

24 July 2019- Dewey Fry, Steven French, Robert Wandel and Bruce Bowman presented the colors at a Naturalization Ceremony at the Lied Center on the campus of the University of Kansas. 353 petitioners were sworn in as new citizens of the United States of America. In the photo above, left to right are Dewey Fry, Gretchen Welk from the Court Clerk's office, Steven French, Robert Wandel, Chief Magistrate Judge of the US Kansas District Court- Julia Robinson, Kim Leininger from the Court Clerk Office, and Bruce Bowman. It has become customary for the KSSAR Color Guard to lead the attendees in the Pledge of Allegiance at Naturalization Ceremonies organized by the US Kansas District Court at the Robert J. Dole Courthouse in Kansas City, Kansas and the Ceremonies on the University of Kansas.

Left to right are Alan Martin (MC), Dewey Fry (DX), Steven French (DX) and Dennis Nelson (DX).

28 September 2019- The Kansas Society Color Guard marched in the Overland Park Fall Festival Parade in Overland Park, Kansas. There were many more people lining the streets than there had been in the past; many showed their appreciation for the color guard and respect for the US Flag.

Book Reviews

True for the Cause of Liberty, The Second Spartan Regiment and the American Revolution, by husband and wife team Oscar E. and Catherine R. Gilbert is a well researched and written book that gives a new look into the brutal, predominantly militia, campaigns in the Southern Colonies.

In the south the war was fought initially against the Cherokee and Shawnee on the western frontier, then against the local Loyalists (Tories) and eventually against the Tories and England's finest in Lord Cornwallis. This book uses battlefield terrain analysis and first person accounts of the officers and men who fought there taken from pension records and little known interviews to bring the battles to life and to illuminate the not insignificant, contributions of one South Carolina militia regiment, The Second Spartans. Well illustrated and with many new maps this is a must have for any student of the real Revolutionary War in the south.

The SAR's 250th Anniversary Flag

As we approach 2026, the 250th Anniversary of the founding of the United States we find ourselves already recognizing the 250th Anniversaries of the

events that led to our independence. The Stamp Act; The Sugar Act, The Townshend Acts have all already occurred; and in March of 2020 the Boston Massacre will be recognized. It is incumbent on us, and in keeping with our Education Mission, to do everything we can to raise people's awareness of our Colonial American history and the founding of this country. The 250th Anniversary Celebration runs from now through 2033 and there will be more and more events coming up every year.

One of the first actions of the 250th Anniversary Committee was to hold a contest to select a 250th Logo for the NSSAR. Last year we designed a 250th Anniversary flag that incorporates that logo and the prototype for the flag was procured by Troy Bailey (OH) and presented to the 250th Anniversary and Color Guard Committees at the Fall Leadership Meeting. President General Jack Manning approved the carrying of the 250th Flag in all National, State and Chapter events and directed the 250th flag be placed on the podium at National events, next in precedence after the SAR Flag.

Look

for more information and order forms in the next editions of the Color Guard Magazine and the National SAR Magazine. You will be able to order your flag in either a sleeve version or with grommets to meet you state or chapter requirements or standards. The more flags we order the less expensive they will be so I need to get an idea of how many flags by type to order. In order to get a ball park count for placing the order I'd like folks to send an email to nationalcolorguard250flag@gmail.com and let

me know grommets or sleeves. This will be the same email address for ordering the flags later on. POC: Brooks Lyles (KS) First Adjutant, National Color Guard.

Kansas Education Outreach Efforts

On 13 September Compatriot Brooks Lyles was invited to Pleasant Ridge Middle School in Easton, KS to speak to

roughly sixty 7th and 8th Grade students on life during the Colonial period and the events leading up to the Revolutionary War.

On 16 September he visited Richard Warren Middle School in Leavenworth, KS and spoke to 240 students on the day before their final exams on the Revolution and American Independence. He spoke on the root causes of the move to independence and the colonies' break with England, but

the students seemed to be more interested in colonial era medicine, personal hygiene practices and the weapons of

war than the Intolerable Acts! It was a great two days made possible by the efforts of Compatriot Jerry Gross, the Henry Leavenworth Education Outreach Coordinator! If you need suggestions on how to approach schools in your area please get in touch with Jerry at gerald.gross@gmail.com. Stand by for some exciting news on the state's purchase of two Patriot Chests for use in Education Outreach activities.

New SAR Logo Contest

The National Society of the Sons of the American Revolution is seeking to create a new logo.

If you are a graphic designer, or know of a good graphic designer, then please share this with them.

The winning logo submitted will receive a prize of \$5,000.00. The two runner ups will receive \$1,000.00 each.

The criteria for the logo are as follows:

1. The logo must be simple
2. The logo must be clean in appearance
3. There should be a maximum of 4 colors
4. The logo should convey a sense of patriotism
5. Fonts and colors must be commercially available
6. The logo, when viewed by the public, should make them think of the Sons of the American Revolution
7. The logo can easily be used to put on materials for clothing, glassware, etc.
8. The logo, when sewn, should have a stitch count of 7,000 or less.
9. The logo should be submitted in .tif format
10. The submitted logo(s) should be 4.98" x 6.64"

Contest Rules

1. Logos must be submitted by midnight December 31, 2019. Any submissions after that will not be considered.
2. Logos must be submitted using the [Contest Application Form](#) found on the SAR website.
3. The entrant shall assign to the Sons of the American Revolution any and all rights, title and interest in the submitted logo, and appoint the Sons of the American Revolution as his/her attorney-in-fact to apply for any and all applicable intellectual property rights in favor of the Sons of the American Revolution.
4. To the extent that any intellectual property rights remain in the entrant, the entrant shall grant a perpetual royalty free worldwide, exclusive, irrevocable, assignable license in and to the logo to the Sons of the American Revolution.
5. The logo cannot infringe the rights of any third party.
6. Judging will be done by three parties. A committee will narrow the submissions to 10 finalists. The Executive Committee will narrow those 10 down to three. The Board of Trustees will choose the winner.
7. Prize winnings can be paid directly to a school. If the winner chooses to take the prize money, they will be subject to income tax laws.

A Sad Day for the Konza Prairie Chapter and the Kansas SAR

It is with a heavy heart that we report the passing of Compatriot Gary Grant Naughton 82, NSSAR #155540, KSSAR #2236, of Manhattan, KS and the Konza Prairie Chapter. He died 23 October 2019 after a long battle with cancer. Gary was a graduate of the University of Utah with a degree in Forestry and served in the US Army from 1959-

1961 as a Field Artillery Officer. He was a Professor Emeritus at Kansas State University where he worked for many years. Gary is a past President of Konza Prairie, the current Secretary and has been active in the chapter with Color Guard, JROTC and Boy Scout activities for many years. He has also been a first line sponsor for many members of KP. Gary is survived by his wife Barbara, four sons Mark (President of Konza Prairie), David, Joseph, and John; two step-sons Michael Gray, Jeffery Gray, his sister Sydney Carlin, his brother John; 12 grandchildren and 9 greatgrandchildren. Gary touched many lives over his time and will be greatly missed by family, friends and compatriots!

Dispatches from the Western Front

From the Prairie Chapters Bennington, Ft. Hays and Sons of the Plains

At Long Last Recognizing the Abilene Chapter DAR

On October 9 State President Bobbie Hulse was able to attend a DAR gathering at the home of Compatriot Bill Marshall and his wife Dee, Vice Regent of the Abilene DAR Chapter.

These ladies were instrumental and by that I mean they took it upon themselves to feed the masses as we assembled for the marking of Compatriot D. D. Eisenhower's grave. What they did for the Kansas Society SAR especially the Color Guard was not only compassionate but an excellent lunch for us all as we had formed to practice for the ceremony. We presented medals to seven ladies who were the worker bees that planned and executed what was a very organized and well thought out operation. In perspective, had we all had to fend for ourselves for lunch it may have been a little helter-skelter to say the least.

Receiving medals for their generosity and hard work were Regent Leesa Hettenbach and Vice-Regent Dee Marshall receiving Martha Washington Medals and April Barker, Lacinda Heller, Shari Lenhart and Marlene Howe receiving Medals of Appreciation. We thank all of these ladies for their service to our Society and their help at that once in a lifetime event.

Excitement in Ellsworth for New SAR Chapter

Put down October 22nd as the day of solidarity for the formation of a new KSSSAR Chapter in Ellsworth. A group of men assembled at the Country Club for an organizational meeting set up by Sons of the Plains Chapter President Ron Svaty. Ron has been promoting and inviting men from the surrounding area to join him and several others in forming a new chapter. He got several of the small town papers to run an article about the effort and invite men to the meeting as well as making phone calls to men that are known to have proven lineage through the DAR. Ron's wife Pat has been registrar for the local DAR Smoky Hills Chapter for a number of years and has been able to aid in identification of male descendants still in the area. That Tuesday evening of the 22nd of October these interested men met to discuss the way forward. Ron, however, was unable to attend due to a severe infection from a cat bite on Sunday. Leading in his place was Justin Engleman. Justin explained the missions, and procedures involved in membership as well as offering help in documentation, filling out the applications and so on. Fifteen men attended and this was the most excited we have ever witnessed a group at a SAR gathering in our time in the Society. To the man all were upbeat, asking questions, and signing up for the chartering of a new chapter. We had a number of men who have worked on their genealogy for years only to be missing a link or two of documentation and Justin, Bobbie Hulse, and Parrish Blanding pledged to aid in getting that done. As well as new men we had several men who are already members who are so distant from Hutchinson, their home Chapter, that they do not make a two hour journey for an hour meeting. They too are excited about the new chapter closer to where they reside. In addition to these guys there are about twenty more that were not in attendance that are either already members or are working on their membership. Several applications are now finished and more in process and could be done by the weekend for a signing gathering. What we have found is that there are many men out there who are more

than ready to be a part of a group promoting patriotism, understanding of our founding documents, and willing to promote these ideals as well as our youth programs, color guard and other things we do. Exciting times as they are looking forward to naming

HENRY LEAVENWORTH CHAPTER (Leavenworth)
Greg Beck, President Meets 4th Thursday monthly at June's Northland, 614 Pottawatomie St, Leavenworth, KS 66048

The focus of October's meeting was the posthumous induction of Compatriot Walter Heimbaugh and the saga of the hunt for a verifiable Patriot Ancestor. The research conducted by Walter

and Bennett Dickson led to opening a new line and getting Walter in the SAR, but not on the ancestor he thought. It also led to discovering the Jolly family line two of whom served with the US Dragoons under our chapter's namesake General Henry Leavenworth on the western plains in the 1820s. We were honored to have Walter's widow Martha accept his paperwork, illuminate his lantern and present a memorial on Walter's life.

“Liberty must at all hazards be supported. We have a right to it, derived from our Maker. But if we had not, our fathers have earned and bought it for us, at the expense of their ease, their estates, their pleasure, and their blood.”

— John Adams
